The screenshot shows the uniFLOW online portal interface. The browser address bar displays <https://nih.eu.uniflowonline.com/#Extensions>. The left sidebar contains a menu with four items: Dashboard, Start printing, Extensions (highlighted with a red box and the number 2), and Legal Notice. The main content area has a header with the uniFLOW online logo and a section titled 'Extensions' with a sub-header 'Extensions can extend the functionality of your tenant.' Below this, there is a section titled 'Accounting' (marked with a red box and the number 3) which contains a 'Budgets' card. The card has a wallet icon and the text: 'Configures budget enforcement to control users' print and copy activities'.

The screenshot shows the 'Budgets' page within the uniFLOW online portal. The breadcrumb navigation at the top reads 'Extensions > Budgets'. Below this is a 'Budgets' section with a wallet icon and the text: 'Configures budget enforcement features to limit and track users' print and copy activities inside your tenant.' The page is divided into two main sections: 'Budget recharge' and 'Transactions history'. Under 'Budget recharge', there is a button labeled 'Add funds' with a red box and the text 'Betale for ekstra utskriftskvote' next to it. Under 'Transactions history', there is a button labeled 'My transactions' with a red box and the text 'Sjekke utskriftskvote' next to it.
